All teams will have a very informative meeting during their first week of practice. This meeting will go over my expectations of your new team. I will go over attendance/tardy policy. I will brief you on your teams conditioning and physical fitness agenda. Dress code and practice attire will be addressed, and as competition season approaches I will go over what to wear to competitions and your travel wear.

Welcome to the Arkansas Cheer Explosion All-star program. Thank you for your interest in Arkansas Cheer Explosion All-star Cheer. As we prepare for our 10<sup>th</sup> season we are continually changing and improving to keep up with the demands of the all-star cheerleading industry.

Our mission at Arkansas Cheer Explosion is to enrich the lives of the children and their families through the sport of competitive cheerleading. Our goal each day is to teach our athletes the value of commitment, hard work, integrity, leadership, self-confidence, positive attitude and a love for the sport. Each and every family is important to us and our program.

We have prepared the following information to help each family understand the commitment level that we expect from each cheerleader. Please take time to carefully read over the handbook in full. At Arkansas Cheer Explosion we expect 100% commitment from each cheerleader for the entire competition year. Arkansas Cheer Explosion All-Star Cheerleading is not a recreation program, it is competitive and at the same time very fun and rewarding.

Competitive cheerleading is not for everyone, however if you and your child are committed to being the best teammate possible and working hard to achieve goals we welcome you! Good luck and we look forward to having you as part of the Arkansas Cheer Explosion family.

Thank you,  
Robyn Porter  
Arkansas Cheer Explosion Cheerleading Coach

**Everyone associated with Arkansas Cheer Explosion or ACE (i.e., coaches, athletes, family members, etc.) is expected to uphold a high level of sportsmanship and character. This handbook is provided as a guide to the specific policies and procedures of our program.**

## WHAT IS ALL STAR CHEERLEADING?

All-star cheerleading teams are formed for the primary purpose of competing. All-star cheerleading is a sport not a hobby. It is a lot of hard work and requires a lot of dedication, but it is also a fun and exciting opportunity for the kids to travel and meet new people and do something they really enjoy.

## WHAT DO THEY LEARN?

All-stars cover every aspect of cheerleading. They will learn motion technique, cheer, jumps, dance, partner stunts, pyramids, tumbling, and spirit. They will also learn teamwork, setting goals, self-discipline, commitment, and sportsmanship.

## PRACTICES

Our teams typically practice an average of 4 hours a week for the bulk of the season.

Practice days will be set after teams are put together. A survey will be taken on the best days and times for everyone. Then the practice schedule will be decided, majority rules.

Also, the length and number of practices may change as we enter new phases of our season. Some months may have more or longer practices than others.

## ATTENDANCE

Attendance is very important to the success of the teams. Practices are mandatory. Once practice times are set, everyone is expected to be there. This is a team sport, no member is

less important than any other member. If members are missing the whole team suffers.

Each member has to be committed to themselves, their goals, and to the other members on the team. ACE does not discourage athletes from participating in other activities. However, this is a very committed sport and attendance should be top priority.

Competitions are mandatory. It takes the team in its entirety to perform to the best of the teams' ability. You will have all of these dates in plenty of time to make any arrangements needed.
